"MIRACLE OF SHARING"

Binhi sang Pagtuo

September 23, 2013

Dear Friends,

Greetings!

Central Philippine University will hold a "Prayer Rally Kontra Pork Barrel and Other Corrupt Practices sa Sentro ng Pilipinas" on September 25, 2013, 3:30pm to 6:30pm at the University Flagpole Area. A message will be delivered by Ms. Sharon Rose Joy Ruiz-Duremdes. Everyone is invited to attend. Let our collective voices be heard!

The problem of corruption in our country is the problem of greed. Why is there a paradox of poverty and abundant natural resources in the Philippines?

The problem is not the lack of resources but the distribution.

I remember another interpretation of Dr. Johnny V. Gumban with regards to the Miracle of the Feeding of 5,000 in John 6.

Gumban said, "The miracle is that when the people who were there saw what the boy did (giving his 5 loaves of bread and 2 pieces of fish), their hearts were touched and the provisions that they were keeping for themselves started to come out. They started to share what they had with others."

I agree with Dr. Gumban that "The moment we learn how to share, a miracle happens. Abundant life is given and is experienced."

We need to show compassion and care for one another. Let us distribute God's resources.

May God bless us all!

Sincerely,

Rev. Francis Neil G. Jalando-on
