IMPLEMENTING RULES AND REGULATIONS
OF THE ENHANCED BASIC EDUCATION ACT OF 2013
(REPUBLIC ACT NO. 10533)

Pursuant to Section 16 of Republic Act No. 10533, entitled “An Act Enhancing The Philippine Basic Education System By Strengthening Its Curriculum And Increasing The Number Of Years For Basic Education, Appropriating Funds Therefor And For Other Purposes,” otherwise known as the “Enhanced Basic Education Act of 2013,” approved on May 15, 2013, and which took effect on June 8, 2013, the Department of Education (DepEd), the Commission on Higher Education (CHED) and the Technical Education and Skills Development Authority (TESDA), hereby issue the following rules and regulations to implement the provisions of the Act.

RULE I. GENERAL PROVISIONS

Section 1. Title. These rules and regulations shall be referred to as the Implementing Rules and Regulations (IRR) of the “Enhanced Basic Education Act of 2013” (Republic Act No. 10533).

Section 2. Scope and Application. The provisions of this IRR shall apply to all public and private basic education schools and learning centers. To the extent applicable and as provided in the succeeding sections, this IRR shall also apply to duly recognized educational institutions, organizations acting as Teacher Education Institutions (TEIs), and foundations.

Section 3. Declaration of Policy. This IRR shall be interpreted in light of the Declaration of Policy found in Section 2 of the Act.

Section 4. Definition of Terms. For purposes of this IRR, the following terms shall mean or be understood as follows:

(a) Act refers to Republic Act No. 10533, entitled “An Act Enhancing The Philippine Basic Education System By Strengthening Its Curriculum And Increasing The Number Of Years For Basic Education, Appropriating Funds Therefor And For Other Purposes,” otherwise known as the “Enhanced Basic Education Act of 2013.”

(b) Learning Center refers to a physical space to house learning resources and facilities of a learning program for out-of-school youth and adults. It is a venue for face-to-face learning and activities and other learning opportunities for community development and improvement of the people’s quality of life. This may also be referred to as “Community Learning Center” authorized or recognized by the DepEd.

(c) Learners refers to pupils and students, and to learners in the alternative learning system.

(d) Mother Tongue, otherwise referred to as Mother Language or First Language (L1), is the language or languages first learned by a child, which he/she identifies with, is identified as a native language user of by others, which he/she knows best, or uses most. This includes Filipino sign language used by individuals with pertinent disabilities. The regional or native language refers to the traditional speech variety or variety of Filipino sign language existing in a region, area or place.

(e) Non-DepEd Public Schools refers to public schools offering basic education operated by agencies of the national government other than the DepEd, or by local government units.
Section 5. Basic Education. Pursuant to Section 3 of the Act, basic education is intended to meet basic learning needs which provide the foundation on which subsequent learning can be based. It encompasses kindergarten, elementary, and secondary education as well as alternative learning systems for out-of-school learners and those with special needs under Section 8 of this IRR.

Section 6. Enhanced Basic Education Program. For purposes of this IRR and pursuant to Section 4 of the Act, the enhanced basic education program encompasses at least one (1) year of kindergarten education, six (6) years of elementary education, and six (6) years of secondary education, in that sequence. Secondary education includes four (4) years of junior high school and two (2) years of senior high school education. The enhanced basic education program may likewise be delivered through the alternative learning system.

6.1. Kindergarten Education is the first stage of compulsory and mandatory formal education which consists of one (1) year of preparatory education for children at least five (5) years old as a prerequisite for Grade 1.

6.2. Elementary Education refers to the second stage of compulsory basic education which is composed of six years (6). The entrant age to this level is typically six (6) years old.

6.3. Secondary Education refers to the third stage of compulsory basic education. It consists of four (4) years of junior high school education and two (2) years senior high school education. The entrant age to the junior and senior high school levels are typically twelve (12) and sixteen (16) years old, respectively.

The DepEd may allow private schools flexibility in adopting the program provided that they comply with the DepEd prescribed standards.

Section 7. Compulsory Basic Education. It shall be compulsory for every parent or guardian or other persons having custody of a child to enroll such child in basic education, irrespective of learning delivery modes and systems, until its completion, as provided for by existing laws, rules and regulations.

Section 8. Inclusiveness of Enhanced Basic Education. In furtherance of Section 3 of the Act, inclusiveness of enhanced basic education shall mean the implementation of programs designed to address the physical, intellectual, psychosocial, and cultural needs of learners, which shall include but shall not be limited to the following:

8.1. Programs for the Gifted and Talented. These shall refer to comprehensive programs for the gifted and talented learners in all levels of basic education.

8.2. Programs for Learners with Disabilities. These shall refer to the comprehensive programs designed for learners with disabilities which may be home-, school-, center- or community-based.

8.3. Madrasah Program. This shall refer to the comprehensive program using the Madrasah curriculum prescribed by the DepEd, in coordination with the Commission on Muslim Filipinos, for Muslim learners in public and private schools.

8.4. Indigenous Peoples (IP) Education Program. This shall refer to the program that supports education initiatives undertaken through formal, non-formal, and informal modalities with emphasis on any of, but not limited to, the key areas of: Indigenous Knowledge Systems and Practices and community history; indigenous languages; Indigenous Learning System (ILS) and community life cycle-based curriculum and assessment; educational goals, aspirations, and competencies specific to the Indigenous Cultural Community (ICC); engagement of elders and other community members in the teaching-learning process, assessment, and management.
of the initiative, recognition and continuing practice of the community’s ILS; and the rights and responsibilities of ICCs.

8.5. Programs for Learners under Difficult Circumstances. This shall refer to the timely and responsive programs for learners under difficult circumstances, such as, but not limited to: geographic isolation; chronic illness; displacement due to armed conflict, urban resettlement or disasters; child abuse and child labor practices.

Section 9. Acceleration. Acceleration of learners in public and private schools shall be allowed, consistent with DepEd rules and regulations.

RULE II. CURRICULUM

Section 10. Basic Education Curriculum Development. In the development of the Basic Education Curriculum, the DepEd shall be guided by the following:

10.1. Formulation and Design. Pursuant to Section 5 of the Act, the DepEd shall formulate the design and details of the enhanced basic education curriculum. The DepEd shall work with the CHED and TESDA to craft harmonized basic, tertiary, and technical-vocational education curricula for Filipino graduates to be locally and globally competitive.

10.2. Standards and Principles. The DepEd shall adhere to the following standards and principles, when appropriate, in developing the enhanced basic education curriculum:

(a) The curriculum shall be learner-centered, inclusive and developmentally appropriate;
(b) The curriculum shall be relevant, responsive and research-based;
(c) The curriculum shall be gender- and culture-sensitive;
(d) The curriculum shall be contextualized and global;
(e) The curriculum shall use pedagogical approaches that are constructivist, inquiry-based, reflective, collaborative and integrative;
(f) The curriculum shall adhere to the principles and framework of Mother Tongue-Based Multilingual Education (MTB-MLE) which starts from where the learners are and from what they already knew proceeding from the known to the unknown; instructional materials and capable teachers to implement the MTB-MLE curriculum shall be available. For this purpose, MTB-MLE refers to formal or non-formal education in which the learner’s mother tongue and additional languages are used in the classroom;
(g) The curriculum shall use the spiral progression approach to ensure mastery of knowledge and skills after each level; and
(h) The curriculum shall be flexible enough to enable and allow schools to localize, indigenize and enhance the same based on their respective educational and social contexts.

The production and development of locally produced teaching and learning materials shall be encouraged and approval of these materials shall devolve to the regional and division education unit in accordance with national policies and standards.

10.3. Medium of Teaching and Learning. Pursuant to Sections 4 and 5 of the Act, basic education shall be delivered in languages understood by the learners as language plays a strategic role in shaping the formative years of learners.

The curriculum shall develop proficiency in Filipino and English, provided that the first and dominant language of the learners shall serve as the fundamental language of education. For Kindergarten and the first three years of elementary education, instruction, teaching materials, and assessment shall be in the regional or native language of the learners. The DepEd shall formulate a mother language
As of August 30, 2013

transition program from the mother/first language to the subsequent languages of the curriculum that is appropriate to the language capacity and needs of learners from Grade 4 to Grade 6. Filipino and English shall be gradually introduced as languages of instruction until such time when these two (2) languages can become the primary languages of instruction at the secondary level.

10.4. Stakeholder Participation. To achieve an enhanced and responsive basic education curriculum, the DepEd shall undertake consultations with other national government agencies and other stakeholders including, but not limited to, the Department of Labor and Employment (DOLE), the Professional Regulation Commission (PRC), private and public schools associations, national student organizations, national teacher organizations, parents-teachers associations, chambers of commerce and other industry associations, on matters affecting the concerned stakeholders.

Section 11. Curriculum Consultative Committee. Pursuant to Section 6 of the Act, a Curriculum Consultative Committee shall be created, to be chaired by the DepEd Secretary or his/her duly authorized representative, and with members composed of, but not limited to, a representative each from the CHED, TESDA, DOLE, the Board of Professional Teachers of PRC, the Department of Science and Technology (DOST), and a representative from business chambers such as the Information Technology – Business Process Outsourcing (IT-BPO) industry association. The Consultative Committee shall oversee the review and evaluation of the implementation of the enhanced basic education curriculum and may recommend to the DepEd the formulation of necessary refinements in the curriculum.

RULE III. TEACHER QUALIFICATIONS, TRAINING AND CONTINUING PROFESSIONAL DEVELOPMENT

Section 12. Teacher Education and Training. To ensure that the enhanced basic education program meets the demand for quality teachers and school leaders, the DepEd, CHED, and TESDA, in collaboration with relevant partners in government, academe, industry, and non-governmental organizations, shall conduct teacher education and training programs, as specified but not limited to:

(a) In-service Training on Content and Pedagogy. DepEd teachers who will implement the enhanced basic education curriculum but have not undergone pre-service education that is aligned with the enhanced basic education curriculum shall be trained to meet the content and performance standards of the enhanced basic education curriculum.

The DepEd shall ensure that private educational institutions shall be given the opportunity to avail of such training;

(b) Training of New Teachers. New graduates of the Teacher Education curriculum not aligned with the enhanced basic education curriculum shall undergo additional training, upon hiring, to upgrade their competencies and skills to the content and performance standards of the new curriculum. Furthermore, the CHED, in coordination with the DepEd and relevant stakeholders, shall ensure that the Teacher Education curriculum offered in these TEIs will meet the necessary quality standards for new teachers. Duly recognized organizations acting as TEIs, in coordination with the DepEd, CHED, and other relevant stakeholders, shall ensure that the curriculum of these organizations meets the necessary quality standards for trained teachers.

For purposes of this subparagraph, duly recognized organizations acting as TEIs refers to organizations, other than schools or Higher Education Institutions (HEIs), contracted out by the DepEd during the transition and for a fixed period, to provide teacher training for purposes of retooling the graduates.
of the Teacher Education curriculum, and only in such areas where there is a shortage of trained teachers.

(c) Training of School Leadership. Superintendents, principals, subject area coordinators, and other instructional school leaders shall likewise undergo workshops and training to enhance their skills on their roles as academic, administrative, and community leaders.

(d) Training of Alternative Learning System (ALS) Coordinators, Instructional Managers, Mobile Teachers, and Learning Facilitators. ALS coordinators, instructional managers, mobile teachers, and learning facilitators shall likewise undergo workshops and training to enhance their skills on their roles as academic, administrative, and community leaders.

Henceforth, such professional development programs as those stated above shall be initiated, conducted and evaluated regularly throughout the year to ensure constant upgrading of skills and competencies of teachers which include administrative and instructional skills.

Section 13. Hiring of Graduates of Science, Mathematics, Statistics, Engineering and Other Specialists in Subjects with a Shortage of Qualified Applicants, Technical-Vocational Courses and Higher Education Institution Faculty.

Notwithstanding the provisions of Sections 26, 27 and 28 of Republic Act No. 7836, otherwise known as the “Philippine Teachers Professionalization Act of 1994,” the DepEd and private educational institutions shall hire, as may be relevant to the particular subject:

(a) Graduates of science, mathematics, statistics, engineering, music and other degree courses needed to teach subjects in elementary and secondary education with shortages in LET-qualified teacher applicants. LET-qualified teacher applicants shall also include graduates admitted by foundations duly recognized for their expertise in the education sector and who satisfactorily complete the requirements set by these organizations; Provided, That they pass the Licensure Examinations for Teachers (LET) within five (5) years after their date of hiring; Provided, further, That if such graduates are willing to teach in basic education on part-time basis, the provisions of LET shall no longer be required.

Foundations, as used in this section, refers to non-profit organizations, which are not operating as educational institutions, contracted out by the DepEd for a fixed period, to provide volunteers to teach in basic education in areas where there is a shortage of qualified teachers. The DepEd shall issue the guidelines and procedures for selection and eligibility of these organizations to qualify.

(b) Graduates of technical-vocational courses to teach in their specialized subjects in the secondary education; Provided, That these graduates possess the necessary certification issued by TESDA; Provided, further, That they undergo appropriate in-service training to be administered by the DepEd or HEIs at the expense of the DepEd. The DepEd shall provide administrative support to private schools for the in-service training of private school teachers on the enhanced basic education curriculum.

(c) Faculty of HEIs to teach in their general education or subject specialties in secondary education; Provided, That the faculty must be a holder of a relevant Bachelor’s degree, and must have satisfactorily served as a full-time HEI faculty;

(d) The DepEd and Private Educational Institutions may hire practitioners, with expertise in the specialized learning areas offered by the enhanced basic
education curriculum, to teach in the secondary level: Provided, That they
teach on part-time basis only. For this purpose, the DepEd, in coordination
with the appropriate government agencies, shall determine the necessary
qualification standards in hiring these experts.

RULE IV. PRIVATE EDUCATIONAL INSTITUTIONS

Section 14. Reasonable Supervision and Regulation. As a matter of policy laid
down in Article XIV, Section 5(1) of the 1987 Philippine Constitution, the State
recognizes the complementary roles of public and private institutions in the
educational system and shall exercise reasonable supervision and regulation of all
educational institutions. Consistent with Sections 25 and 27 of Batas Pambansa
Bilang 232, the DepEd Secretary shall have the authority to regulate the operation and
implementation of all private educational institutions.

For purposes of this IRR, private educational institutions refer to privately
owned or managed institutions for teaching and learning, established and authorized
by the State to operate certain educational programs in accordance with law and the
prescribed policies and rules of the agency concerned.

Section 15. Issuance and Revocation of Permits and/or Recognition of Private
Senior High Schools. Private educational institutions may only offer senior high
school when so authorized by the DepEd. The DepEd shall prescribe the guidelines on
the issuance and revocation of permits and/or recognition of senior high schools.

Section 16. Specializations in Private Senior High School. Private educational
institutions may offer specializations in senior high school that are essential to the
economic and social development of their region or locality. Local planning in the
development of educational policies and programs shall be encouraged consistent with
the State policy to take into account regional and sectoral needs and conditions.

RULE V. CAREER GUIDANCE AND COUNSELING ADVOCACY

Section 17. Career Guidance and Counseling Programs. Consistent with Section 9
of the Act, to properly guide the students towards becoming productive and
contributing individuals through informed career choices, the DepEd, in coordination
with the DOLE, TESDA, CHED, PRC, NYC, industry associations, professional
associations, and other relevant stakeholders, shall pursue programs that expose
students to the world and value of work, and develop the capability of career
counselors and advocates who can guide the journey of the students and equip them
with the necessary life skills and values.

Section 18. Career Advocacy Activities. Career advocacy activities refer to activities
that will guide secondary level students in choosing the career tracks that they intend
to pursue. Career advocacy activities involve provision of career information and
experiences, advising, coordinating and making referrals, and may include, but are
not limited to, career talks, career and job fairs, parents’ orientations, and seminar-
workshops on career decision making.

Section 19. Career Advocates. Notwithstanding the provisions of Section 27 of
Republic Act No. 9258, otherwise known as the “Guidance and Counseling Act of
2004”, career advocates shall be allowed to conduct career advocacy activities to
secondary level students of the schools where they are currently employed; Provided,
That they undergo appropriate capacity building programs developed and
implemented by the DepEd, in coordination with the DOLE, TESDA, CHED, PRC, NYC,
student organizations, industry associations, guidance and counseling associations,
professional associations, and other relevant stakeholders.

Career advocacy may be conducted by career advocates and peer facilitators.
Consistent with Section 9 of the Act, career advocates refer to career and employment

As of August 30, 2013
guidance counselors who are not registered and licensed guidance counselors. Career
advocates include homeroom advisers and teachers of all learning areas who will
implement career advocacy activities. Peer facilitators are secondary level students
trained to assist career advocates in implementing career advocacy activities.

Section 20. Role of the DepEd. The DepEd shall:
(a) Integrate career concepts in the curriculum and undertake teaching in relevant
learning areas;
(b) Conduct career assessments;
(c) Conduct regular career advocacy activities;
(d) Conduct continuous professionalization and capacity building of guidance
counselors, career advocates and peer facilitators;
(e) Develop or accredit training programs on career advocacy;
(f) Establish a career advocacy unit and provide adequate office space in high
schools; and
(g) Designate guidance supervisors at the division level and career advocates at the
school level.

RULE VI. E-GASTPE BENEFICIARIES AND OTHER FINANCING ARRANGEMENTS
WITH PRIVATE SCHOOLS AND NON-DEPED PUBLIC SCHOOLS

Section 21. Expansion of E-GASTPE Beneficiaries. Pursuant to Section 10 of the
Act, the DepEd shall develop programs of assistance that will extend the benefits
 accorded by Republic Act No. 8545, or the “Expanded Government Assistance for
Students and Teachers in Private Education Act,” to qualified students enrolled in
senior high school.

Section 22. Criteria for Assistance to Qualified Students. The programs of
assistance shall be made available primarily to graduates of the junior high school
program in public schools, taking into account the income backgrounds and financial
needs of students, available capacities of public, private and non-DepEd public
schools in the locality, socio-economic needs of regions, overall performance of private
and non-DepEd public schools, as well as geographic spread and size of the student
population.

The programs of assistance may also be made available to students graduating
from private junior high schools, whether these students are E-GASTPE beneficiaries
or not, subject to compliance with the qualifications and guidelines to be determined
by the DepEd.

Section 23. Forms and Amount of Assistance. The forms of assistance that may be
provided by the DepEd may include any of the following:
(a) A voucher system, where government issues a coupon directly to students to
enable them to enroll in eligible private and non-DepEd public schools of their
choice under a full or partial tuition or schooling subsidy;
(b) Education Service Contracting (ESC), where the government enters into
contracts with private and non-DepEd public schools to shoulder the tuition
and other fees of high school students who shall enroll in private high schools
under this program;
(c) Management contracts, where government enters into contractual
arrangements with private or non-DepEd public schools to manage the day-to-
day operations of public schools under agreed performance targets;
(d) Forms of assistance provided under Republic Act No. 8545; and
(e) Other forms of financial arrangements consistent with the principles of public-
private partnership.

The DepEd shall take into account the ability of program beneficiaries to cover
tuition differentials, if any, in setting the amount of the voucher, ESC, or other forms
of assistance. The amount of assistance to be given by the government shall not
exceed the determined per student cost in public schools.

As of August 30, 2013
Section 24. Participating Schools. Private and non-DepEd public schools and other potential providers of basic learning needs authorized to offer senior high school are eligible to participate in programs of assistance under the E-GASTPE program and other financial arrangements formulated by the DepEd and DBM based on the principles of public-private partnership. The continued participation of said providers in the E-GASTPE program and other financial arrangements is subject to their meeting minimum requirements and standards, including student performance, as determined by the DepEd.

In the spirit of partnership and greater cooperation between public and private educational institutions, government will take into account existing and potential capacities of private schools in expanding public school capacity.

Section 25. Implementation Mechanisms. The DepEd may enter into contractual arrangements or establish new institutions for the design, administration and supervision of programs of assistance or aspects thereof, subject to the approval of the appropriate government agencies.

The DepEd shall issue the appropriate guidelines for the implementation of the programs of assistance. The DepEd shall ensure transparency and accountability in the implementation of the programs of assistance.

The DepEd shall implement information and advocacy programs to inform the general public and ensure greater participation and availment of the programs of assistance.

The DepEd shall undertake periodic reviews of the program features and make adjustments, as necessary, to ensure the successful, effective and sustainable implementation of the program. The program features shall include, among others, amount of subsidy, number of grantees, eligibility requirements, and performance of participating schools.

Section 26. Funding Requirement. The budgetary requirement of the programs under this Rule shall be ensured by the national government.

The DepEd shall encourage private and corporate donors to support the programs of assistance in this section under the framework of Republic Act No. 8525, entitled, “An Act Establishing An ‘Adopt-A-School Program,’ Providing Incentives Therefor, And For Other Purposes,” and other relevant laws and policies.

Section 27. Timeframe. The DepEd shall implement the programs provided in this Rule no later than the start of School Year 2016-2017.

Section 28. Additional Beneficiaries. The DepEd may develop similar programs of assistance for kindergarten and elementary pupils and alternative learning system learners in accordance with specific objectives, taking into account the need and capacities of public and private schools.

RULE VII. TRANSITORY PROVISIONS

Section 29. Private Basic Education Schools’ Transition to the Enhanced Basic Education Program. The DepEd shall ensure the smooth transition of private elementary and high schools in the country that are not aligned with the enhanced basic education program. The DepEd shall provide the appropriate guidelines on the evaluation of the transition plans. For this purpose, a transition plan is a plan generated by a private school or a group of private schools detailing their plans on how to transition from their current basic education system to the enhanced basic education program.

As of August 30, 2013
Private Schools offering 12 to 13 years of basic education prior to the enactment of this Act shall submit to the DepEd their transition plans within twelve (12) months from the effectivity of this IRR, subject to the guidelines that will be issued by the DepEd.

Section 30. Implementation Mechanisms and Strategies. Pursuant to Section 12 of the Act, the DepEd, CHED and TESDA shall formulate the appropriate strategies and mechanisms needed to ensure smooth transition from the existing ten (10) years basic education cycle to the enhanced basic education program. The strategies may cover changes in physical infrastructure, manpower, organizational and structural concerns, bridging models linking secondary education competencies and the entry requirements of new tertiary curricula, and partnerships between the government and other entities. Modeling for Senior High School (SHS) may be implemented in selected schools to simulate the transition process and provide concrete data for the transition plan following the guidelines set by the DepEd. The results of the SHS modeling program may be considered in the nationwide implementation of the SHS program in School Year 2016-2017.

To manage the initial implementation of the enhanced basic education program and mitigate the expected multi-year low enrolment turnout for HEIs and Technical Vocational Institutions (TVIs) starting School Year 2016-2017, the DepEd shall engage in partnerships with HEIs and TVIs for the utilization of the latter’s human and physical resources, and issue relevant guidelines. Moreover, the DepEd, CHED, TESDA, TVIs and HEIs shall coordinate closely with one another to implement strategies that ensure the academic, physical, financial, and human resource capabilities of HEIs and TVIs to provide educational and training services for graduates of the enhanced basic education program to ensure that they are not adversely affected. The faculty of HEIs and TVIs allowed to teach students of secondary education under Section 8 of the Act, shall be given priority in hiring for the duration of the transition period. The transition period shall be reckoned from the date of the approval of this IRR until the end of School Year 2021-2022.

30.1. Role of State Universities and Colleges and Local Colleges and Universities during the Transition Period. The CHED and DBM shall review the financing policy framework for state and local universities and colleges in light of the Act with the view of optimizing the use of government resources for education, the results of which shall be covered by a joint administrative issuance.

30.2. Effects of Initial Implementation of the Enhanced Basic Education Program on Industry Human Resource Requirements. The DOLE, CHED, DepEd, TESDA and PRC, in coordination with industry associations and chambers of commerce, shall develop a contingency plan, not later than the start of School Year 2015-2016, to mitigate the effects of the enhanced basic education program with respect to a potential reduction or absence of college graduates to meet the human resource requirements of industry. The plan shall contain mitigation strategies for industries to adjust their employment policies as deemed necessary and expedient.

[AND TO CONSIDER, AMONG OTHERS, ASSOCIATE DEGREES OR SIMILAR QUALIFICATIONS WHICH WILL ALLOW GRADUATES TO ENTER THE WORKFORCE DURING THE TRANSITION PERIOD. (WITH OBJECTIONS FROM DOLE AND CHED; DOLE AND CHED PREFER ENDING PROVISION AFTER “NECESSARY AND EXPEDIENT”. SUB-COMMITTEE ON TRANSITIONAL AND GENERAL PROVISIONS RECOMMENDS INCLUDING “AND TO CONSIDER... TRANSITION PERIOD”).]

Section 31. Labor and Management Rights. In the implementation of the Act, including the transition period, the rights of labor as provided in the Constitution, the Civil Service Rules and Regulations, Labor Code of the Philippines, and existing collective agreements, as well as the prerogatives of management, shall be respected. The DOLE, DepEd, CHED and TESDA shall promulgate the appropriate joint administrative issuance, within sixty (60) days from the effectivity of this IRR, to ensure the sustainability of the private and public educational institutions, and the

As of August 30, 2013
promotion and protection of the rights, interests and welfare of teaching and non-
teaching personnel.

For this purpose, the DOLE shall convene a technical panel with
representatives from the DepEd, CHED, TESDA and representatives from both
teaching and non-teaching personnel organizations, and administrators of the
educational institutions.

RULE VIII. JOINT CONGRESSIONAL OVERSIGHT COMMITTEE

Section 32. Joint Congressional Oversight Committee on the Enhanced Basic
Education Program. The Joint Congressional Oversight Committee created under
Section 13 of the Act shall be composed of five (5) members each from the Senate and
from the House, including Chairs of the Committees on Education, Arts and Culture,
and Finance of both Houses. The membership of the Committee for every House shall
have at least two (2) opposition or minority members.

RULE IX. MANDATORY EVALUATION AND REVIEW

Section 33. Mandatory Evaluation and Review. By the end of School Year 2014-
2015, the DepEd shall conduct a mandatory review and submit a midterm report to
Congress as to the status of implementation of the Enhanced Basic Education
Program in terms of closing the following current shortages: (a) teachers; (b)
classrooms; (c) textbooks; (d) seats; (e) toilets; (f) other shortages that should be
addressed.

The DepEd shall include among others, in this midterm report, the following
key metrics of access to and quality of basic education: (a) participation rate; (b)
retention rate; (c) National Achievement Test results; (d) completion rate; (e) teachers’
welfare and training profiles; (f) adequacy of funding requirements; and (g) other
learning facilities including, but not limited to, computer and science laboratories,
libraries and library hubs; and sports, music and arts.

RULE X. COMMITMENT TO INTERNATIONAL BENCHMARKS

Section 34. Commitment to International Benchmarks. The DepEd shall endeavor
to increase the per capita spending on education towards the immediate attainment of
international benchmarks. Towards this end, the DepEd shall seek to:
   a) engage local government units to efficiently use the special education fund and
      other funds to advance and promote basic education;
   b) implement programs that will enhance private sector participation and
      partnership in basic education; and
   c) propose an annual budget allocation in accordance with these goals. The DepEd
      shall further develop a multi-year spending plan to ensure that the UNESCO-
prescribed standards on education spending are attained.

RULE XI. FINAL PROVISIONS

Section 35. Appropriations. Pursuant to Section 11 of the Act, the initial funding for
the operationalization of the Enhanced Basic Education Program shall be charged
against the current appropriations of the DepEd. Thereafter, such sums which shall
be necessary for the continued implementation of the enhanced basic education
program shall be included in the annual General Appropriations Act.

Section 36. Implementing Details. The DepEd, CHED and TESDA may issue such
policies as may be necessary to further implement this IRR.

Section 37. Amendment. Amendments to this IRR shall be jointly promulgated by
the DepEd Secretary, CHED Chairperson, and TESDA Director-General.

As of August 30, 2013
Section 38. Separability Clause. Should any provision of this IRR be subsequently declared invalid or unconstitutional, the same shall not affect the validity and effectivity of the other provisions.

Section 39. Repealing Clause. Pursuant to Section 18 of the Act, rules and regulations implementing the pertinent provisions of Batas Pambansa Bilang 232 or the “Education Act of 1982,” Republic Act No. 9155 or the “Governance of Basic Education Act of 2011,” Republic Act No. 9258, Republic Act No. 7836, and all other laws, decrees, executive orders and rules and regulations, contrary to or inconsistent with the provisions of the Act are deemed repealed or modified accordingly.

Section 40. Effectivity Clause. These Rules shall take effect fifteen (15) days after its publication in the Official Gazette or in two (2) newspapers of general circulation.

This IRR shall be registered with the Office of the National Administrative Register at the University of the Philippines Law Center, UP Diliman, Quezon City.

As of August 30, 2013
